

# THE Rainbow Report

## *A Bright Future at Rainbow Omega*

### Continuing the Legacy of Stentson and Dianne Carpenter

*By Tim Hodge, CEO, Rainbow Omega*

What a humbling opportunity it is for me to represent the individuals that we serve, their families, and our incredible staff as the new chief executive officer of Rainbow Omega! The ministry that began here over 25 years ago by Mr. and Mrs. Carpenter has been a blessing for so many wonderful and deserving folks, and it is my honor to work with everyone to continue that legacy. The future is extremely bright for Rainbow Omega!

It was a joy to meet many of you at our Annual Dinner last September. I imagine that you were as inspired as I was by the message shared by our guest speaker, Sarah Huckabee Sanders!

Going forward, we will be doing our best to maximize our reporting to all of our supporters and keep you informed of these exciting times on our campus. Please check our Facebook page and website ([www.rainbowomega.org](http://www.rainbowomega.org)) regularly. Through *The Rainbow Report*, our goal is to better provide you with updated information and opportunities to support our mission work. Look for our report to you every three months.

The pandemic has obviously created caution on the part of our staff to

protect the individuals we serve. While we currently must limit visits into the homes and work center, we can still host volunteer groups, and our Garden Center is always open for you to visit! Construction of our new Fitness and Activity Center is ongoing, and we will continue to share with you the exciting plans we have for it!

Over the coming months, I will do my best to visit and meet as many of you as I can, but in the meantime, you are always welcome to contact me. Please feel free to email me or give me a call. My contact information is provided to the right. Ω

**New CEO Tim Hodge (at left) shares a laugh with Casey, John, Sarah, and Sherry, residents of Rainbow Omega.**

Cell: 205-489-7005

## Mission

To glorify God by ensuring that adults with developmental disabilities have a permanent and safe home where their abilities and potentials are respected and nurtured in a Christian environment.

## Board of Directors

Vance Moore, M.D., Chairman  
Jeff Helms, Vice Chairman  
Mona Jenkins, Ph.D., Secretary  
Clay Blackwell, Treasurer  
Remelle Orman Davis  
Ron Hubbard  
Leslie Jewell  
Jeff Speegle  
Matt Vega, J.D.  
Wayne Williams

## Leadership Team

Tim Hodge  
Chief Executive Officer  
Melodie Crawford  
Chief Operating Officer/Director of Human Resources  
Carol Paris  
Chief Financial Officer  
Mike Carpenter  
Facilities Compliance Director  
Gail Tillman  
Vocational Program Director  
Nicole Kendrick  
Residential/Day Habilitation Program Director/QDDP  
Brinder Curry  
ICF/IID Program Director/QDDP

## Celebrating Years of Service!

Please join us in recognizing and thanking our staff who have reached significant milestones. Their service to our residents and families is much appreciated!

Gail Tillman, 20 Years  
Vocational Program Director

Rob Kimbrough, 20 Years  
Assistant Vocational Director

Shiquetta Tuck, 15 Years  
House Manager

Scotty Poe, 15 Years  
Vocational Honda Systems Coordinator

Britt Shropshire, 10 Years  
Vocational Honda Systems Line Worker

Bruce Cook, 10 Years  
Vocational Honda Systems Line Worker

## Meeting the Challenge of Covid-19

The past two years have been a struggle to keep the people we serve safe from the threat of Covid-19. Rainbow Omega is very fortunate to have Chairman of the Board Dr. Vance Moore—who has served our community as a board member, Vice Chairman, and medical advisor since our founding—advising our staff and leadership team throughout the pandemic. Staff members made personal commitments to provide care to each of our residents during the pandemic, often times at risk to their own health, and never backed away from their responsibilities to be guardians of your loved ones. Also, parents and families partnered in fighting the spread of this virus by limiting their visits to our campus, and following social distancing and masking

guidelines when residents made visits outside our campus. We realize how frustrating these guidelines continue to be, but we are all partners working together to keep your loved ones safe until we are out of this pandemic.

The training and policies that were developed through the worst of the pandemic last year have borne fruit. During the recent spike in Covid cases in Calhoun and Talladega counties, only two of our residents and a few staff members tested positive for Covid. Everyone has been part of this success through hard work, preparation, and learning from what did and did not work before. Let's keep working together to keep our residents, families, and staff safe during this challenge! Ω

## Spring Forward!

### Garden Center Now Offers David Austin Roses

At the Garden Center, we grow over 20,000 plants in our nine greenhouses for the spring season. Our ferns are some of the most beautiful ferns you will find. We grow an array of plants and flowers in hanging baskets and bedding plants, along with perennials, such as hydrangeas, peonies, lavender, and rosemary, to name a few.

Also, we are excited and honored to be an official supplier of David Austin Roses! For almost 60 years, David Austin has been breeding exquisite English Roses renowned for their beautiful, often many-petaled, repeat-flowering blooms, and enticing, rich fragrances. Over 200 rose varieties are bred by David Austin, and each one comes with a five-year guarantee. They also provide expert advice and aftercare.

In addition to plants, our Garden Center sells gardening tools and supplies, potting soil, hummingbird feeders and food, goat's milk soaps, local honey, and Corinthian Bells wind chimes. We invite you to come and check out the store and maybe sit and relax on our patio by the fireplace and enjoy the beautiful countryside scenery.

All proceeds benefit Rainbow Omega. So, when you buy from us, you are getting a quality product while helping the special men and women we serve. Ω

If you have any questions about our Garden Center, please call Kathi Aja at 256-831-0919, ext. 260, or email her at [kaja@rainbowomega.org](mailto:kaja@rainbowomega.org).

Our Garden Center is open:  
Monday-Friday: 8 a.m.-4:30 p.m.  
Saturday: 8 a.m.-2 p.m.

## A Conversation with Tim

### What first inspired your involvement with Rainbow Omega?

**TIM:** I first became aware of the work at Rainbow Omega several years ago through the mission work of my church—Double Springs Church of Christ—where I serve as the deacon overseeing our mission funding. Our church supported Rainbow Omega for many years, so I had marveled at the reports given to our congregation by Mr. Carpenter. I began my career with non-profit agencies with The Arc of Walker County in 2005, and saw the efforts that are required “behind the scenes” to meet the challenges of providing quality and caring services to individuals with developmental disabilities and their families.

### What excites you about the future of Rainbow Omega?

**TIM:** I'm excited to work alongside the individuals, their families, and the staff here. Every family member has been welcoming and wants to assist in any way needed, the staff have shared their personal love of being part of this mission, and our residents are so happy being part of this community—their community.

### Please share with us a childhood experience that shaped who you are today.

**TIM:** Mom was a Bible class teacher for as long as I can remember, and active in civic clubs that provided services for individuals in the community. She worked in the court system in Cullman County for decades and saw the best and worst of people, but never lost her positive attitude about the worth of everyone.

Dad had an incredible work ethic, and always helped others whenever he could, but he never wanted to be acknowledged for it. What made a huge impression on me was their daily example of caring, helping, and being humble in doing so. Ω

New CEO Tim Hodge

**Sojourner Volunteer Billy McVey with Garden Center Manager Kathi Aja**

### Want to Volunteer at Rainbow Omega?

In early December, we were blessed to host another group of Sojourner volunteers who visited and worked with us. They labored with Garden Center Manager Kathi Aja to prepare our annual Poinsettia sale for delivery. Volunteers are such an important part of Rainbow Omega's history. While the pandemic and Covid protocols have prevented our volunteers from being able to visit in person with our residents, they have not prevented volunteers from continuing to assist wherever is necessary to maintain our operations.

As spring arrives, we hope that we will be able to "open back up" and allow everyone to move about more freely on our campus! If you are interested in being part of our volunteer helpers, please let us know by contacting Tim at 256-831-0919, ext. 222. We appreciate you! Ω

**Dave Bolt, Construction Superintendent**

### Construction Continues on Schedule

Despite the winter weather, construction on the new Fitness and Activity Center has continued on schedule. Due to the shipping crisis of last fall and material shortages, receipt of some items has been delayed, but that hasn't prevented the contractors from continuing to work steadily over the last few months. Our goal remains to open in May.

We greatly appreciate the hard work of Dave Bolt, Construction Superintendent of the project, and the many sub-contractors and workers who are making this dream a reality for the individuals living here at Rainbow Omega!

Please keep checking our website ([www.rainbowomega.org](http://www.rainbowomega.org)) and Facebook page for updates over the next few months. Ω

**Above: The baseball park in Oxford, Alabama**

**At right (L-R): Residents William, Jill, Shea, James, David, Daniel, and J.J. are ready for baseball season!**

### Ready to Play Ball!

Spring is the time of year for new beginnings and baseball—and Rainbow Omega is excited about its first season in "A League of Their Own" baseball games! Over 40 residents have signed up to play in this league which is designed for them to experience the fun of America's pastime. Games are currently scheduled to be played on Saturday mornings during March and April (weather and pandemic permitting!) at the beautiful "A League of Their Own" baseball park located next to Oxford Civic Center. Everyone is looking forward to getting their uniforms and playing baseball. Rainbow Omega greatly appreciates the City of Oxford and its volunteers for making sports participation a reality for the athletes at Rainbow Omega! Ω

## Staff Superlatives

**Doris Cooley** received the Rainbow Award as the employee most likely to brighten your day.

**Rob Kimbrough** received the Omega Award as the employee most likely to retire at Rainbow Omega.

**Wanda Carroll** received the Hope Award as the employee who demonstrates extraordinary compassion.

**Sheretta Vann** received the 2021 Employee of the Year Award for being exceptional in all areas as a Rainbow Omega employee and representative.

**Gail Tillman** received the Horizon Award as the employee who embodies exceptional leadership.

**Kiyon Daniels** received the Arc Award as the employee who exhibits remarkable strength and stability.

**Tina Shaw** received the Teamwork Award as an employee who exemplifies teamwork.

### Recognizing Excellence!

Each year, employees of Rainbow Omega, Inc., recognize their co-workers through our Staff Superlative Awards and Employee of the Year Award. Employees are provided a ballot which contains the name and position of each staff member as well as the definition of each award. Employees nominate the co-worker whom they believe best exhibits the qualities of each award. Ballots are then tallied by our Human Resources personnel.

Congratulations to all our honorees. We are proud of you and your dedicated service! Ω

**Shinquetta "Squeak" Tuck** received the Teamwork Award as an employee who exemplifies teamwork.

**Kimmie Duncan** received the Teamwork Award as an employee who exemplifies teamwork.

**Patricia Wallace** received the Teamwork Award as an employee who exemplifies teamwork.

**Ursula Ganato** received the Chatty Cathy Award as the employee most likely to talk your ears off.

**Constance Terrell** received the Mr. Clean Award as the employee who demonstrates cleanliness and organization.

**Sheldon Scott** received the White Knight Award as the employee who saves the day by filling in or coming in.

## James Bruce Evans, Jr.

February 1, 1984 – February 12, 2022

Our friend James Bruce Evans, Jr., left his earthly home and embarked upon his epic adventure into heaven on Saturday, February 12, 2022. He was born on February 1, 1984, to Donna and Bruce Evans. They made the difficult decision to share their sweet "Brucey" with Rainbow Omega on March 4, 2021. James then became a resident of Kyker House (House B). He immediately made a profound impact on all who came to know him as a housemate and resident. His infectious smile and his love for Jesus and music were simple things that made him so unique and so easy to love.

While living here, James made several friends. He would often lead prayer before meals with them. His friends seemed to look forward to hearing him eagerly bless the food and pray for everyone. He loved to walk the halls of the Vocational Center, humming and singing Disney songs as well as church hymns. One of his favorite hymns to share with others was *What A Friend We Have In Jesus*. He also enjoyed listening to Amy Grant and a variety of Christmas songs. His smile, his voice, and his singing would always brighten a room instantly!

Although our hearts grieve for James, we know his spirit and sweet memories remain with us at Rainbow Omega. We rejoice in knowing he is an angel resting in the arms of Jesus!  $\Omega$

PARENT TESTIMONIAL

# Young at Heart

*By Huel Young, Resident Parent*

My wife, Dolores, and I first visited Rainbow Omega in 2011. We were impressed that a full range of needs were met on campus including group homes, workshops, and basic medical care. We immediately decided that Rainbow Omega would be a perfect fit for our son, Scott. When we lived in Atlanta, Scott worked in a day workshop after his high school years, and he enjoyed being with his “friends” while doing something productive. This meant as much to us as it did to him and gave Scott a daily routine. After retiring and moving back to Alabama, Scott was at home all day with us because we couldn’t find any meaningful activities for him outside the home.

Rainbow Omega offered respite services to us, and we began taking advantage of that service beginning in 2016. We knew we had to get more serious about seeking placement there for Scott because he always talked about “missing my friends” when he returned home. Scott adopted Rainbow Omega as his family long before there was an opening for him. After 56 years of managing his care, we were finally ready to release Scott when the opportunity came. His needs are filled at Rainbow Omega far better than we can fill them. He is happy, we are happy, and his brother and sister are happy for him. What more could we ask for?  $\Omega$
